Title: Great Pumpkin Event

Author: rachel

Throughout the fields of
Sosaria the pumpkins and
jack-o-lanterns are
spawning with the
strangest of names.

Some say they are names
of heroes, gods, or
deities. Who is to say?

They are free for
the picking as the days
approach closer to this
All Hallow's Eve.

But have a care in the
handling as I have seen
some explode as they
were tossed about!

And keep a watchful eye
out for the dark
jack-o-lantern named
Draconi, and the elusive
Barton jack-o-lantern.

Be Safe
